Attn: Mr. David Head

Dear Mr. Head:

The writer has received your invoice in the amount of \$170.75 covering the hauling of scrap for part of March through part of August of this year.

It would be appreciated if you would have your Accounting Department send a bill in duplicate to the writer's attention each month covering the previous month's movement. Please show, in each case, the dray ticket number so we can check it with our records.

Very truly yours,

W. P. SCHEPPER
Gen'l Supv. of Accounting
